5. [ ] and I discussed the release of dubbed copies of Japanese broadcasts during World War II now in National Archives which have been requested by a Mr. Ronald Ettman. All seem in order and perfectly proper to release except for three items labeled [ ] I noted the contents of these should be explored a bit more. National Archives has raised the much broader question of the release of World War II broadcasts (mostly Axis powers) in general. [ ] will explore this with General Counsel and Mr. Goodwin's office. We have a catalogue of these holdings. cc: [ ] 25X1
6. [ ] Agreed with [ ] OTR, to talk to the new CT class at the Broyhill Building Tuesday 11 March 1400-1500 hours. cc: [ ] 25X1
